MEMORANDUM FOR: Associate Deputy Director for Intelligence

THROUGH : DDI Coordinator for Academic Relations  
: Director of Security  
: DDI Security Officer  
: Acting Director, Strategic Research

SUBJECT : Request for Clearance to Speak Before a Campus Group

REFERENCE : DDI Notice [ ]

STAT

1. Request that I be permitted to accept the attached invitation to lecture at West Point on some aspect of the geography of the USSR. My choice of topic would be "The Military Geography of the Sino-Soviet Border." The lecture would be a non-classified description of the physical geography of the border regions including material derived from Soviet descriptions of such Soviet military operations as those against the [ ] and the Manchurian Campaign.

STAT

2. If this request is approved I would propose to give this lecture on the evening of 18 October, driving to West Point in the afternoon, and returning the next morning. I will request travel reimbursement from the sponsor of the lecture. The only cost to OSR would be the official leave required to travel to West Point and return.

In a conversation with the  
Department here at the  
highly recommended  
document 386A, "Geography of the  
USSR" extend you a most cordial  
invitation to address the cadets enrolled  
in this course.

The "Geography of the USSR"  
the fall semester course.  
It is an introductory course  
which covers the basic physical, industrial and agricultural  
topically and in a general  
approximately 80 minutes.

Due to the nature of the  
have to be given  
day evening any time  
November. The topic

William Odom of the Social Science  
States Military Academy, you were  
special guest lecturer for the Environ-  
ment "USSR" course. I would like to  
extend an invitation to address the cadets enrolled

as an elective course presented during  
the fall semester in their junior and senior year.  
The course covers the basic physical, industrial and agricultural  
organization of the Soviet Union both  
topically and in a general  
The course currently enrolls

Due to the nature of the  
schedule, the presentation would  
be held on a Monday through Thurs-  
day in the middle of October to the end of  
the course be a subject of your choosing.
